

Hello American Legion Post 176 members,

The American Legion Post in Springfield, VA is pleased to announce that it now offers access to Department of Veterans Affairs' healthcare onsite through the ATLAS (Accessing Telehealth through Local Area Stations) program. Post 176 has worked alongside VA, Royal Philips, and other industry partners over the past year to create a private, telehealth-equipped appointment space at Post 176 (pictured right).

Members can now meet with their VA healthcare providers by video within the private appointment room at Post 176, and receive clinical services, such as primary care, rehabilitation services, and more!

Members interested in scheduling a VA video appointment at Post 176 should contact the Washington, D.C. VA Medical Center at 202-745-8000 ext. 52250. Hours of operation for the ATLAS appointment space are 9 a.m. – 4 p.m., Monday through Friday (by appointment only).

For more information about ATLAS and VA video appointments at Post 176, visit:
