1<sup>st</sup> Vice Commander Pfeifer gave a report on membership and requested the members to share the news of renewing their membership with the Sons if they see another member. He mentioned that our Squadron was currently in good standing in regard to membership.

The Commander mentioned there was discussion regarding the Spring Conference which will be virtual and will be livestreamed from our post on March 6<sup>th</sup>. All are welcome to attend, but virtual attendance is preferred.

There was no Sick Call and Relief.

No Unfinished business was brought to the floor.

Under New Business, the Commander brought up discussion about this year's nomination committee, and for members to be aware that we will create a committee by no later than the April GMM meeting. Campbell inquired about the EXCOM meeting, Commander responded that we are required to have EXCOM meetings quarterly, as per the bylaws. The next EXCOM meeting date is currently TBD. Wolfe brought up discussion about a spring project for local Boy Scout Troops, and also a SAL cookout to drive membership. Wolfe will contact the district Scout leader to get multiple local troops involved. Kaepfel also suggested that our Squadron should host some sort of outdoor event with games once the weather is accommodating. Campbell brought up discussion of a SAL competition for all Squadrons in our district, possibly naming it the "District Cup" where each post will host an activity/competition for all members to participate (i.e. Cornhole, dart, pool, etc) to which one Squadron will be named the winner. This endeavor would be to generate camaraderie among all local Squadrons.

The Wagon O' Cheer was brought to the floor again as Saint Patrick's Day is March 17. It was decided that the Commander will purchase the items by 2/21, and tickets will be made for sale at that time.
